

SOLVING COMMUNITY PROBLEMS

# FROM TALK TO ACTION

A **FREE** Northwoods Public Workshop Series

Through this workshop series we will learn and practice a public decision-making process:

- 1** How to **name** and **frame** complex issues (Workshops 1 & 2)
- 2** How to **organize** and **moderate** deliberative forums
- 3** How to **guide a citizen group** through effective action plans

## Workshop 1: Naming and Framing Difficult Topics

Learn skills and tools to identify a problem we need to talk about (naming) and the critical options and drawbacks for deciding what to do about that problem (framing).
