

NEW NEIGHBORS SERIES

In 2022, Central Wisconsin welcomed more than 175 refugees from countries like Afghanistan, Congo, Syria and Burundi. In addition, an unknown number of immigrants arrived here seeking asylum from places such as Nicaragua and Venezuela.

The New Neighbors Series will examine the histories and political situations in the homelands of our new neighbors. We'll also find out about their journeys to our area and learn what our communities can do to ease their transitions.
